

BUGS

1. Don't show create event button

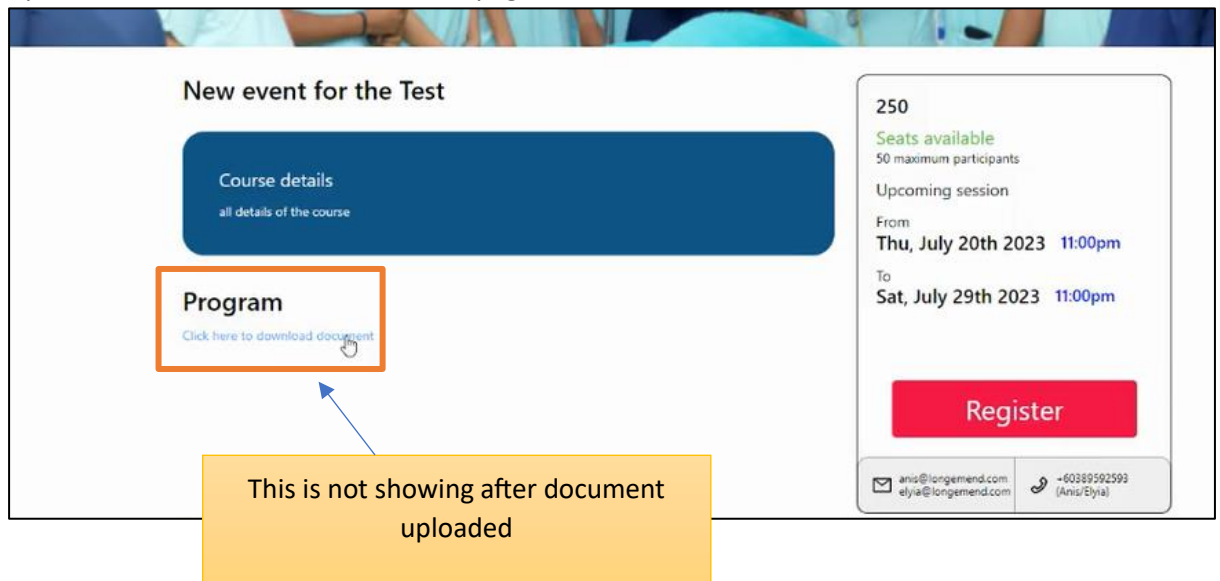

2. Upcoming event shows on the past event

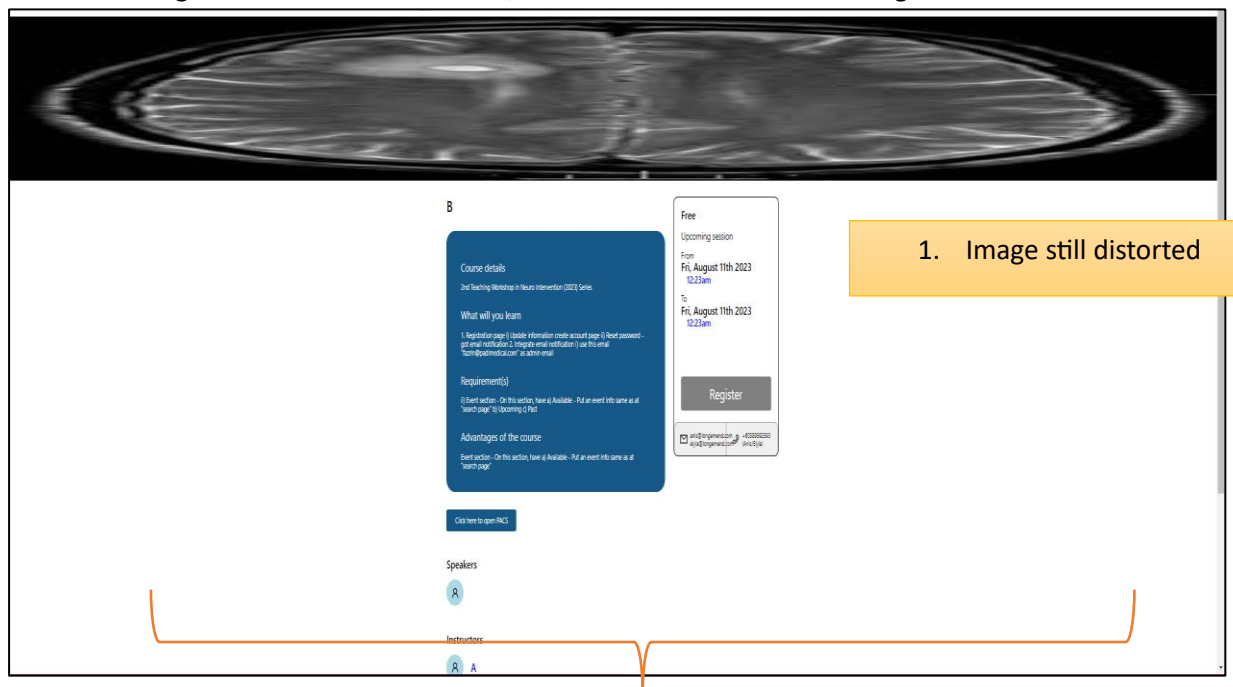

3. I

The screenshot shows the 'Add an event' form. The form has four text input fields: 'Course details', 'What will you learn', 'Requirement(s) if any', and 'Advantages of the course'. A yellow callout box points to the 'What will you learn' field with the text: "Increase size of text box".

4. Uploaded document does not show on page event detail

5. The event image still distorted. Before this, we had discussed about this bug.
